Eligible Nonprofits

- This list of Minnesota-based nonprofit agencies included in Choose A Charity were suggested by staff and members and have been approved based on the IRS website.
- Organizations eligible are registered as a 501(c)(3) with the IRS within our 8-county footprint in Minnesota. This includes the following counties: Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, Washington and Wright.
- The nonprofit name must be the official name of the 501(c)(3) organization to be eligible; not an individual.
- If part of a national organization, the nonprofit should be listed as the local affiliate.
- Nonprofits that do not have a presence in the market, as determined by SharePoint Credit Union, are not eligible.
- Certain organizations may be excluded at the discretion of SharePoint Credit Union.
- If you believe your 501(c)(3) nonprofit agency should be included in this program, please contact us at marketing@sharepointcu.com.
- We will no longer accept new charity requests beginning January 15, 2021.
